Meant for couples that want an intimate ceremony with just a few guests in a private location within a 25 miles radius. You can share your love in your backyard, the park, or anywhere you want.

Not available for formal weddings at venues.

Traditional Ceremony (most common)- \$550

Perfect for couples that are looking to get married in a more traditional way. This is for couples who want a wonderful fun and romantic ceremony experience at the venue of their choice but without the large expense.

You can select options based on our Wedding Ceremony package at St. Johns.

I will work with you to design a ceremony that fits you best, as well as any add-ins such as the sand, rose, wine, and more from our list. Then, combine these elements along with any readings or family/cultural traditions you want to include.
